

Becky Cholewka Speaking Topics

Empowering Others To Be Your Healthcare Advocate In a Crisis (60 min)

This seminar will advise you which healthcare documents are specific to the state of Arizona, the difference between “springing” and “durable” Powers of Attorney, and the crucial decision making questions to ask yourself when choosing a POA.

Mythbusters (60 min)

This presentation separates the FACTS from the FICTION when it comes to planning your estate. Covering our most asked legal questions, this class will put all the well meaning advice you’ve received from your friends, neighbors, hairdresser, internet, and even your financial planner to the test.

Will My Estate Plan Work in Arizona and Other FAQs (60 min)

Whether you spend a few months in Arizona each year or have relocated permanently this presentation covers the biggest myths and most asked questions by those who have already done estate planning in another state. We’ll cover which estate planning documents are specific to the state of Arizona, as well as other ways to keep your loved ones out of probate in Arizona.

IRA Planning Pitfalls (90 min)

Learn how to properly fill out a beneficiary form when you have a trust, as well as what Supreme Court decisions and IRS rules you will need to know when leaving your IRAs to others.

Defining Your Legacy- What Will You Leave Behind? (60 min)

This presentation highlights the importance of preserving photos, traditions, recipes and keepsakes as well as the simple steps you can take today to get started. It focuses on how to make the process easier for those you love, how to ensure you have documents that work, and Becky’s personal story of the impact her father’s legacy had on her at only 19.

Maintaining A Healthy Estate Plan (60 min)

This class outlines specific tips to ensure your estate plan is effective in avoiding the time, expense, and emotional cost of probate court including; if you have recently moved or are a winter visitor, if you've had a life changing event, if your Arizona documents were created prior to 2009, and if you've created your documents online or through a do-it-yourself kit.

Family Feud- When Bad Things Happen to Good People (60 min)

This class is a collection of real life stories of people who weren't prepared and practical steps you can take today to ensure your family can avoid the same heartaches.

The College Prep You Haven't Thought About (60 min)

You've set your kids up for college, but have you set them up for life? This seminar focuses on the steps you can take before your children leave for college to ensure you continue to have access to medical information, can make medical decisions for them if they become incapacitated, and have access to financial information to help them in a time of crises.
